

Black Knight

Maxisafe's Black Gripmaster® COATING TECHNOLOGY ensures the BLACK KNIGHT has excellent grip in wet, oily environments

- Black 13 Gauge Nylon Seamless Shell for increased comfort and breathability
- Black Gripmaster® Coating Technology creates a soft, durable and flexible coating on the palm
- Multi-layered Gripmaster Coating provides superior protection from oil penetration yet repels water, providing a firm wet or dry grip
- Spongy effect of the multi-layered coating minimizes exposure of palm to liquids providing excellent anti-slip characteristics

RECOMMENDED USES

- Materials handling work
- Construction industry
- Automotive industry
- Logistics and warehousing
- General purpose work glove
- EN388-4121
